

Hockey League

A hockey league is made up of at least four hockey teams. Each hockey team is composed of six to twelve players. One player captains the team. A team has a number and a record. Players have a number and a position. Hockey teams play games against each other. Each game has a score and location. Teams are sometimes lead by a coach. A coach has a level of accreditation and a number of years of experience. One coach can coach multiple teams. Coaches and players have names and addresses.
